

What kind of person has a picture of a radio tower on his desktop? A guy who loves radio! That was my friend Jon Umphress. Due to his health issues, Jon had to retire from WTGN in 2009. Those who listened to him on the radio know that Jon was a WTGN treasure—consistent, steady, Biblical.

Jon was particularly passionate about his “baby” The Northwest Ohio Music Connection. His daughter Jenny had suggested WTGN have a radio program that featured local groups and artists. Jon worked hard and loved every minute of it as he befriended and featured his neighbors—a true labor of love.

Thank you, Jon, for being such an example of faith to us. From the death of his daughter Jenny, to his own battles with his health, Jon demonstrated a faith and grace that was an inspiration to us all.

We will miss you, brother.

WTGN Red Kettle Day is a Success!

Thank you to everyone who stopped by the station at 1600 Elida Road to donate to The Salvation Army Red Kettle on July 9th. Together, we were able to raise \$1,349.70! This was over \$200 more than last year. The donations support local activities, summer programs and social service assistance for individuals and families in the Lima community.

Also, a special thank you to everyone who came to volunteer to help with our food giveaway that day. Even though the heat index was up to 99 degrees, we were able to bless the community with 62 hot dogs. Thank you to Pastor Rick Lamb for operating the grill. We also thank Theresa Mericle, Jennifer Faris, Jackie Brinkman, and Marjory Rockey for helping us serve the food.

Forward In Faith Update

Here's a look at the new WTGN production studio! A special thank you to Chief Engineer Dave Morris and Mark Gierhart for all their hard work putting the studios together. Please be in prayer as we enter the second phase of updates—including a new computer system and the new AudioVault Flex broadcasting software.
