

# Sharaday 2023

## What is a Sharaday?

With a donation of **\$1,300**, you can choose any day of the year to celebrate a special event or honor a friend or loved one on a birthday, anniversary, graduation or other special occasion. Your message will air a total of 24 times, at the top of each hour on the date of your choice.

Alternatively, with a donation of **\$650**, choose any half-day of the year to broadcast your special message. Each Half-Sharaday airs a total of 12 times, at the top of the hour on either the even hours (2pm, 4pm, 6pm, etc.) or odd hours (1pm, 3pm, 5pm, etc.) of the day.
